## Start saving money on your international calls in 3 easy steps

1. Visit [www.klisiexo.gr](http://www.klisiexo.gr) and check the rate for where you want to call
2. Buy €5 credit securely using your credit or debit card
3. Receive your PIN via SMS, make calls using our access number and start saving!

## How to make a call

1. Purchase credit at [www.klisiexo.gr](http://www.klisiexo.gr) and receive your PIN by text message
2. Make your calls by dialling **211 120 2019** from your mobile or landline, or 807 8807 from your landline  
The 211 number is an Athens number, so charged at local rates. If you have a phone with free minutes to Greek landlines, then this means the call to our access number will be free - otherwise it's just charged as the cost of calling Athens. The 807 number is a free call from a landline or payphone, but you will receive slightly fewer minutes of international calls
3. Enter your **PIN** followed by #. You will hear your balance. Then enter the full international number to call followed by # again. We will tell you how many minutes you have to speak and connect the call
